Report on the donations from the Coffee Co-op

Congratulations everyone! Since 7 December we collected **\$256.9** for the AMS food bank. We had **\$55** directly donated and **\$190.5** in 507 coffees.

Please thank Matt Siegle for the initiative!

Keep up the drinking!

The coffee co-op is now set up to accept donations through direct donation or by marked coffees. If you are interested in setting up a donation event please contact Melissa in office 207.
